RE: Mary Johnson v. Agua Dulce Town Council
Settlement Proposal

Dear Richard:

Thank you for your letter of Tuesday, July 5, extending the settlement deadline to today at noon. The Town Council met in a properly noticed closed session last night, July 6, to discuss the settlement proposal. After considerable deliberation, the Council elected not to settle pending the outcome of the mandamus hearing next week. Thank you for your efforts.

Regards,

Christine M. Kudija
